Dear Parent of Prospective Student,

Thank you for your request of a Waiting List Application to the Connect School. We are a District 70 charter school serving grades six through eight. Students are offered enrollment on a first come, first served basis according to the date the Waiting List Application is received at Connect.

Applications are maintained in order of receipt date within each grade level. If your child's grade level unexpectedly changes, please notify Connect. Applications of preschool children need to be updated when the child enters school. At the end of each school year, applications are advanced to the next grade level. Parents are contacted when their child is in fifth grade to confirm continued interest and to begin the enrollment process. Correct grade level information is critical.

Please return the completed application to the Connect School. If you mail the application, please call Connect to confirm receipt. It is important to keep Connect updated with contact information. We appreciate your interest in quality education.
